Changes...

> "A living thing is distingiushed from a dead thing by the multiplicity of the changes at any moment taking place in it."
>
> -Herbert Spencer

It is the diversions from the dull monotony of simple existence that enhance life. Changes define the excitement and vitality of Shrewsbury High School. Changes provide for a growth in knowledge, a greater interest in activities, and a growing circle of friends. This, the 38th Colonial, celebrates the Changes which characterize the SHS Community.

Class of '97 Junior Prom

Ah Paris!

What a great job of decorating by these promgoers (see right). Prom photos are courtesy of '97 Advisor Mr. Marchand

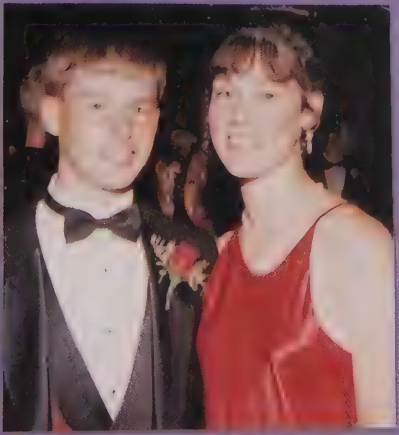
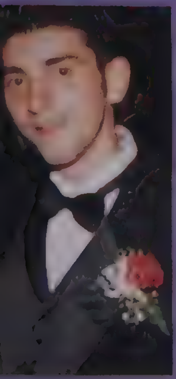
May 11, 1996, the Class of 1997 experienced "A Night in Paris" for their Junior Prom! Construction by several dedicated classmates and parent spotlighted the Eiffel Tower and a row of sidewalk cafes. The foyer showcased an artist's easel in a picturesque garden. Highlights included the selection of the Queen, King and Court and the playing of the theme song, "Satellite".

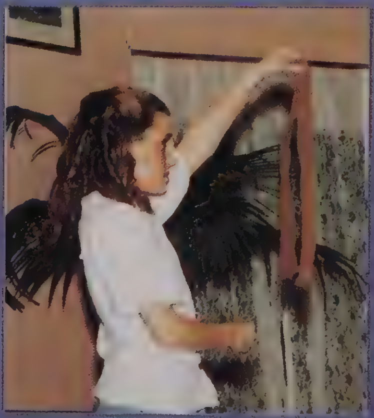
1997! Your support in sponsoring these pages is much appreciated!

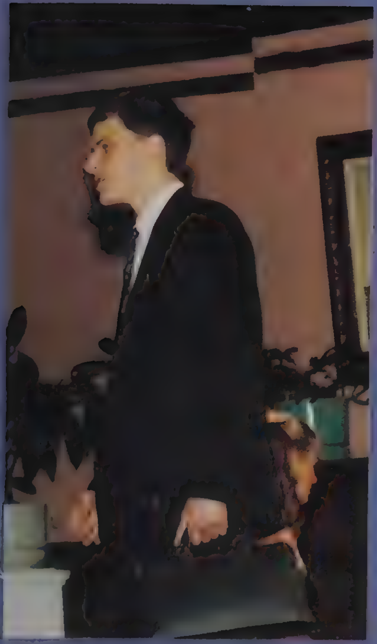




"Cheaper by the Dozen"

"Cheaper by the Dozen" offered a wide variety of emotions and scenarios to the audience. The talented cast moved viewers from laughter to tears in a matter of minutes, then back again. The play proved to be an incredible experience for all involved. The play, written by Christopher Sergel, was based on the true experiences of Frank B. Gilbreth Jr. and Ernestine Gilbreth Carey. Set in the 1920's, in Montclair, New Jersey, the large Gilbreth household consisted of Mr. and Mrs. Gilbreth, played by Dan Brownell and Melissa Delling; their children, played by Brenda McDonald, Chet Reshamwala, Max Burwick, Yoshio Shartin, Matt Holmes, Dan Holmes, Nicole Higgins, Liz Rice, and Lauren Masiello; the family dog, Miss Boston, courtesy of Mitch Roedel; and the maid, Mrs. Fitzgerald, played by Lisa Zschuschen. Paul Landry acted the part of Joe Scalesa, the male cheerleader, while Diane Marshall was the uptight teacher, Miss Brill, Joe Marsh played Dr. Burton, and the unlucky suitor, Larry, was depicted by Ed Bedrosion. Jen Servideo understudied for Ernestine, Lillian, and Martha (three of the Gilbreth daughters). Stage Manager was Michele Stanislawzyk; Set Design was headed by Mr. Dennis Metro. Mark Roberts and Leslie Polizoti worked the lights, and Dave





Roberts was the sound technician. The playbill layout design staff were Dave Roberts, Evan Thomas, Nichole Charron, Katie Leonard, and Erin Jean Wilson, who also worked at ticket design. The set construction crew was Ed Bedrosian, Dave Danielson, Paul De Palo, Melissa Delling, Nicole Higgins, Dan Holmes, Matt Holmes, Brian Krause, Mrs. Krause, Paul Landry, Jaime Leifer, Malynda Madison, Joe Marsh, Diane Marshall, Brenda McDonald, Mr. Dennis Mastro, Katie Meola, Mike Moore, Alexandria Morris, Scott Penney, Mr. Pottle, Jen Servideo, Yoshio Shartin, Michele Stanislawzyk, and Tina Stenner. Show pictures are courtesy of Mr. Clough. Director was the inimitable Mr. Jack Feldheimer.

Arabian Night

Class Officers (above) enjoy the results of their hard work: Andy Sayegh, Paul DePalo, Callie Avis and Mike Hogan

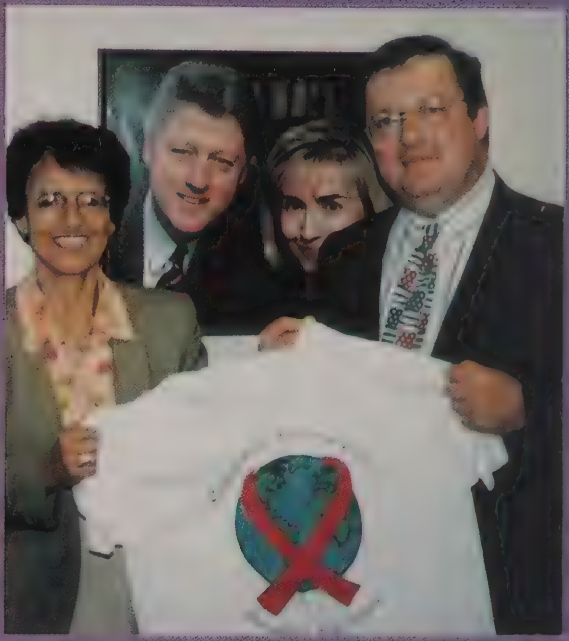
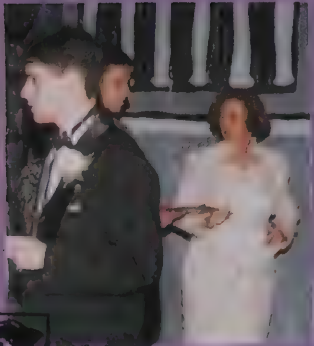
Saturday, March 31, 1995 was the night of the Class of 1997's Sophomore Semi-Formal. The cafeteria, after metamorphosis, became a beautiful Arabian village. Many students worked far into the previous night to complete the decorations which helped make our first formal dance a success.

Thanks to the Class of '97 for these memories and their sponsorship!

'97 Top Supporters!

The Advisors of the Class of 1997 have worked hard to make our tenure at SHS successful. Mrs. Pam Krause and Mr. Richard Marchand brought their experience to the class' executive board as well as endless enthusiasm to all of our activities. Mr. Jordan Pinsky's perseverance, practicality, and insight had a tremendous impact on much of the class. Mrs. Caryn Figueras served as our advisor sophomore year before heading for the Middle School, and was an energetic supporter of the class. Our junior year marked the addition of Mr. Donald Pottle, whose fresh ideas and approaches have aided us greatly over our last two years. The Class of 1997 has had a most caring Administrator: Mrs. Ellen Meyers. Our thanks to ALL of you!





The Class of 1997 is proud to sponsor this page in honor of their Administrator & Advisors

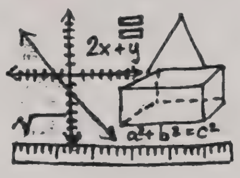
Math



You Can Count On It

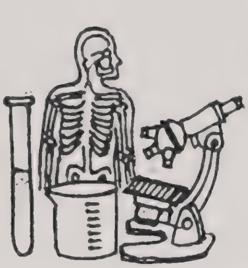
The students in Mrs. Bartelson's classes sure had some fun! On Spirit Day they tie-dyed T-shirts in their class color. Later, they set up elaborate creations of dominoes and then watched as the dominoes all came cascading down.

The Math Department creates a pyramid! (Back) Ms. Steiner, Mrs. Bartelson, Ms. Nyce, Miss Yurkinas; (Middle) Mrs. Hogan, Mr. Kirklauskas, Mrs. Kupcinskas, Mr. Cote; (Front) Mrs. Tegan, Mr. Clough, Mrs. Bilodeau. Missing: Mr. Bulger & Mrs. Mongiat.

Thanks to Mrs. Bartelson for her film & print support!

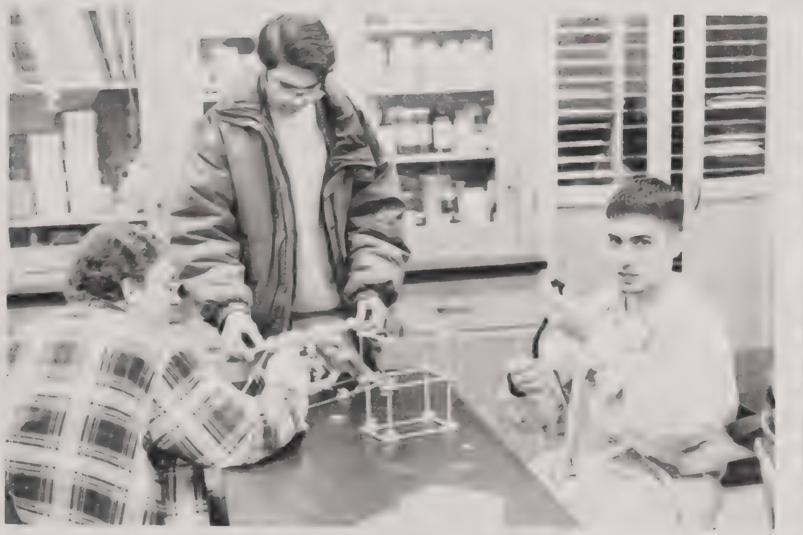
Science

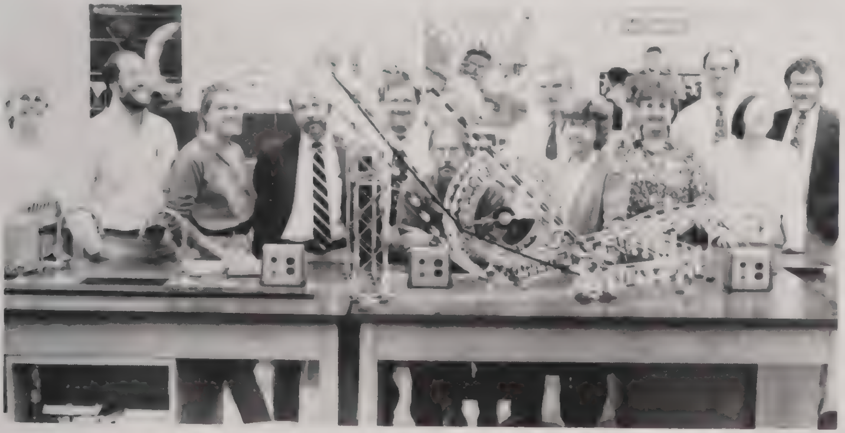
Who Stole the Mole?



Science is full of hands-on experience. Some physics students make models to visualize a lab, and Mr. Rutan's class experiments with changing temperature.

Dr. James Hamos (above) from UMass was the guest speaker at the year's first Science Mentor Night at SHS. Students packed into the classroom to hear the discussion on the brain.





Shown above are everybody's favorite science teachers, from left: Mrs. Swenson, Mr. Swiercz, Ms. Hamilton, Mr. McGinn, Mr. Pottle, Mr. Whitmore, Mrs. Whitmore, Mrs. Bagley, Mr. Goyette, Mrs. Schroeder, and Mrs. Mastrorio. Though we missed him for this picture, we wish Mr. Brobeck all the best in his future endeavors.

English

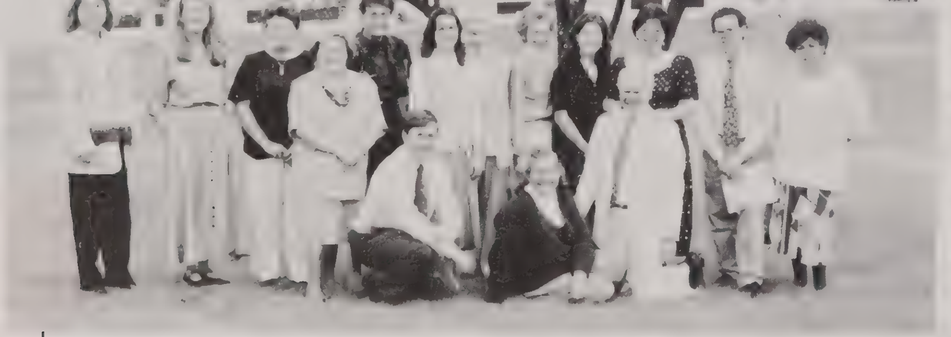
Interesting "doings"!

Mrs. Bannon offers a most *interesting* project: to describe to your audience a "How To . . . " situation. One student described how to make a box; another how to diaper a baby; many chose to tell how various cookies and brownies were made — and then brought in the results for all to sample. It is not always as easy to describe a procedure as some might think. *Interesting* indeed!

The very interesting English Department: Mrs. Stevens, Mrs. Croteau, Ms. Adams, Ms. Moreschi, Ms. Tosi, Ms. Kavanagh, Mrs. Bannon, Mrs. Tompkins, Ms. Bernard, Mrs. Calimeris, Mr. Secino, Ms. Abraham, Mr. DiFrancesca, Mrs. Wolpert, Mr. Danielson. Missing are: Mrs. LaBelle, Ms. Hubbard and Mr. Nelson. Mr. Rose is on sabbatical ("Round the World), see "This & That".

It IS *interesting* to study a subject from two points of view concurrently: as in American Studies. On the Social Studies page (58) Mr. Pinsky's students visit the Wampanoag Camp at Plimoth; here, with Mrs. Stevens, they visit a Plantation house with Cape Cod Bay in the background. These same students continued their studies focusing on Salem and life there as they prepared for the Junior Class trip to see "The Crucible". Students chose related projects. Kathryn Fohlin shows her Salem house replete with furniture.

Mr. Danielson's Theatre Arts Class work out some interesting "stage business". One of the most interesting visitors to SHS was "Harley", who "belongs" to NEW Assistant Principal Mrs. Steele. How better to prompt interesting writing than to have an interesting subject right at hand? "Harley" looks right at home, actually he captivated everyone he met throughout the school!



Mrs. LaBelle with Hyeeun Yu (just arrived from South Korea), Jessica Koulisis and James Zanfardino. checking out what's most *interesting* in the T&G.

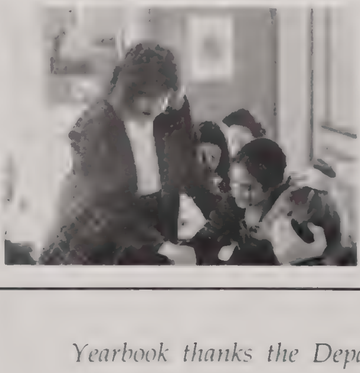
World Languages

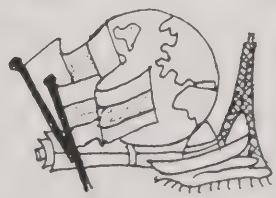
Quo vadis?

Mr. Sullivan, celebrating over forty years as a teacher, was honored with a plaque for his contribution to Latin Studies at SHS.

Dr. Courchesne and her Honors Class stand with some of the flags they made focusing on French speaking nations of the world. Honors French V: Julie Mirlicourtois (whose Father recently visited the class from Paris), Sonal Thaker; Honors French IV: Sara Cheney, Eileen Duhamel, Liz Farina, Carey Haglund, Allison Lustig, Zachary Mills (who spent several years in a French-immersion school in Canada), Michelle Panagian, Erica Rioux, Natalie Sitko, Alison Zuegg.

The World Languages Department: Mr. Sullivan, Ms. Nattinville, Mrs. Downes, Dr. Courchesne, Mrs. LaBua, Mrs. Lorente, Mrs. Olson; seated: Mrs. Estaphan, Mrs. Black, Mrs. Teggart. We hope to catch up with Ms. Hubbard in the Spring "Extra"!

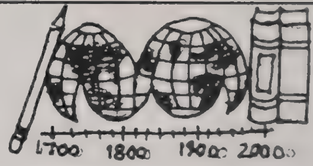




Yearbook pays visits to the WL Classes of Mrs. Lorente and Mrs. LaBua (who are giving "oral" exams), Mrs. Teggart, Mrs. Black and Mrs. Downes

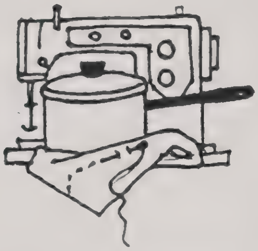
Yearbook thanks the Department for their continuing support!

Social Studies



Above Mr. Chace's Psychology Class attends a Science Mentor Night presentation on "The Brain" conducted by Dr. Hamos of U Mass Medical. *Upper left:* Mr. Pinsky's and Mrs. Stevens' American Studies Class visit Plimoth Plantation and observe the "burning out" of a canoe-in-progress. *Left:* Students with Mr. Blute after asking him questions about campaign issues. *Below:* World Civilization students try their hands at "primitive" rock painting using hand made "brushes" and egg yolk or cream based ground pigment "paints"; Mr. Gutekanst discusses SHS "space needs" with students; Mr. Cormier's AP US History Class on a Field Trip to find the grave of the last slave in Massachusetts, Prince Walker. *Lower left:* The Social Studies Department: Mr. DeCoteau, Mr. Pinsky, Mr. Mulcahy, Ms. Murray, Dr. Klug, Mrs. Goldman, Mr. Brunell, Mr. Cormier and Mr. Chace. Mrs. O'Leary took the picture!

Family & Consumer Science



We're cookin'!

The kids in the Little Colonials Preschool celebrated Halloween by making their own special costumes and going trick-or-treating around the school. They were led from classroom to classroom by the students in the Early Childhood Program. The preschoolers have also had a fun time this year playing in their new little house, made especially for them by the Tech. Ed. department.

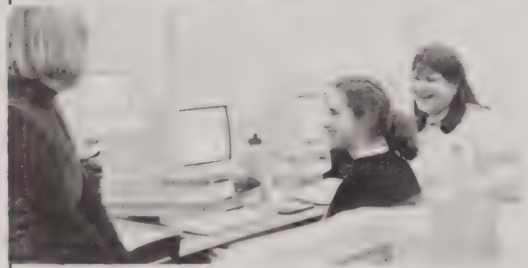
The health-conscious cooking class honed their food preparation skills by cooking up some tasty vegetables, including delicious stuffed squash, shown at the right.

Above are the wonderful teachers of the Family & Consumer Science department seated in the Little Colonials Playhouse, from left: Mrs. Tebbetts, Miss Monica, Ms. McCullough, and Mrs. Stapleton. Missing is Ms. Daigneault.

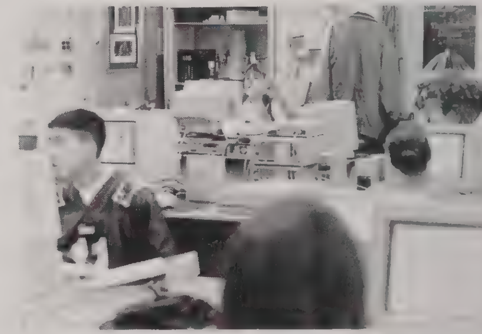
Computers

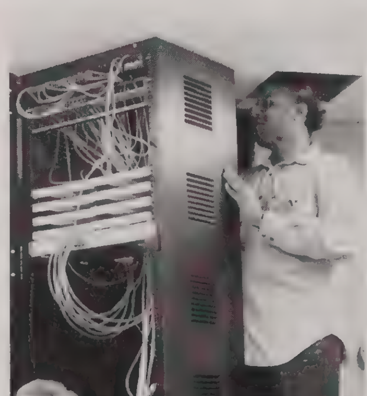
Net Day . . .

and Beyond!

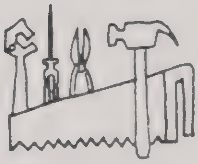


This has been a hectic year for the Computer whizzes. Net Day was a state-wide effort to start preparing all the classrooms in the Commonwealth for the 21st century. Around the outer edges of this page you can see but some of the hundreds of volunteers — students, parents, town & business leaders — who pretty much completed all the wiring — in all the schools in Shrewsbury — in preparation for "net" access. Mr. Cornacchioli, Department Chair, coordinated the efforts. Ms. Magat is just taking a brief break from that maze of wires you see behind her. Ms. Clark-Miller and Mr. Fine organize the Computer Labs. Other members of the Department are Ms. Adams, Mrs. Gustafson, Ms. Steiner.





Technology Education



From Ancient Skills to the Cutting Edge

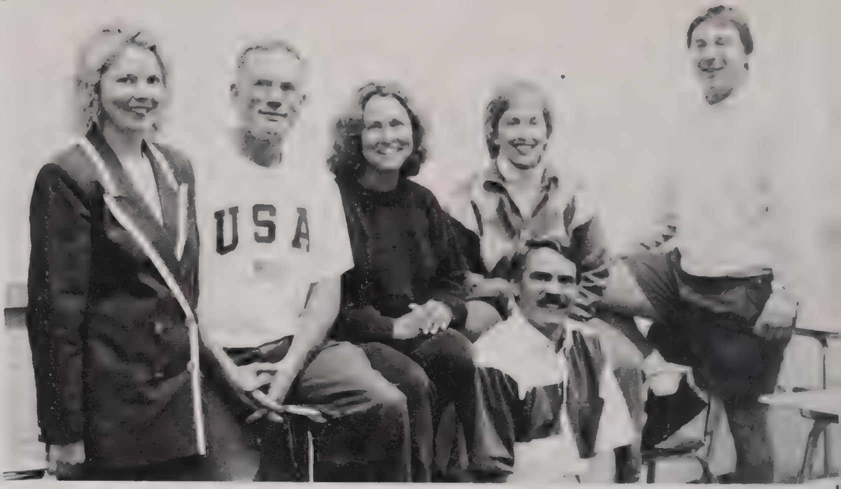
Technology Department: Mr. Perreault, Mr. MacMillan, Mr. Olson and Mr. Smith. Working with wood is among the most ancient and honorable skills. Students learn to cut, plane and use wood to build "real" houses for The Little Colonials and for someone's favorite pet as well as an intricate parquet-type game board. Tech Ed students also learn CAD/Graphics, Auto Systems, Architecture, Robotics. BELOW: The courtyard playhouse is nearly complete: a next to finishing touch — a handlaid brick walkway — is added to the flower filled window boxes and landscaping.

Physical Education

For a Lifetime

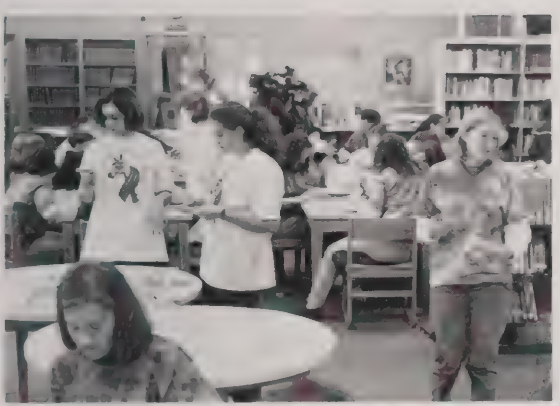
. . . of Good Health

There is still Volleyball —
but . . .

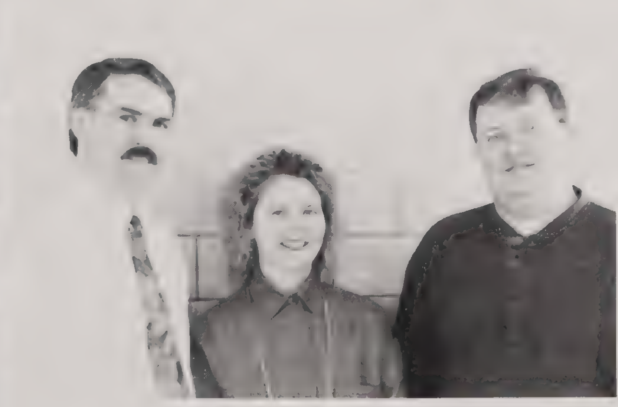


. . . there is a lot more in the Physical Education Curriculum. Rock Climbing, for one example (see Clubs on Page 136.) Here you'll see Weight Training, Fencing with Mr. Munzner and Cross Country Skiing with Mrs. Jonaitis. What will Spring Bring? The Physical Education Department: Mrs. Degon, Mr. Munzner, Mrs. Krause, Mrs. Jonaitis, Mr. Hursey and AD Mr. Warren.

Health



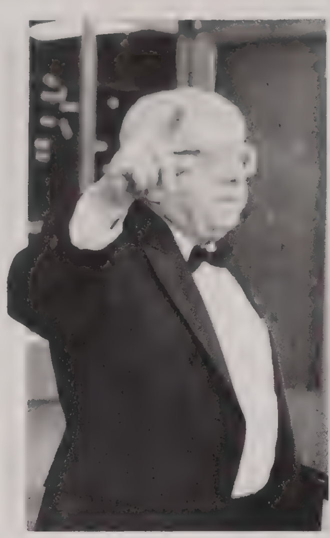
Above: The Dream Team prepares their Aids Quilt Field Trip Presentation as they are documented by TV Channel 4! *Below:* At a SHS Peer Leadership Seminar. Team Members: Josh Firestone, Jeff Abbott, Michelle Panagian, Kristen Hadley, Tina Polis, Tara Cardin, Maribeth Morin, Leigh DiPilato, Rita Tavares, Maria Keegan, Matt Mitchell, Nathan Croteau, Jessica Reagey, Greg Filippetti, Mark Govoni, Kate Govoni, Laurie Romanowicz, Erica Gestone, Julie Cuccaro, Billy DeMalia, Danielle Pessolano, Vicki Rossi, Chris Grillo, Alberto Jarquin, James Hanson, Allison Zuegg, Julie Baril, Amanda McLernan, Valerie Johnson, Natalie Sitko. Advisors are Mr. Marchand and Mr. Nugent. *Below left:* Mrs. Degon prepares a class for an impending test.

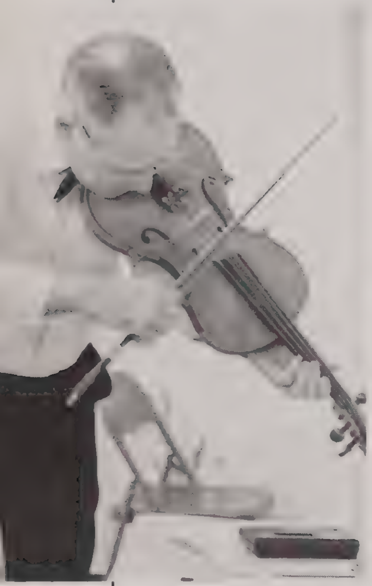


Health Department: Mr. Warren, Mrs. Degon and Mr. Marchand.

Music

"We Got the Beat"





The Music Department is a big part of life at SHS. From football games to concerts to the ever-popular spring musical, music is an omnipresent part of the school. And, whether it be tuning a cello, learning a marching drill, or twirling a baton, a performance involves a great deal of hard work and preparation.

Everybody's favorite music teachers: Mr. Uglialoro, Mr. Koziara, Mrs. LeBeouf, Mr. Metcalf and Mr. Feldheimer.

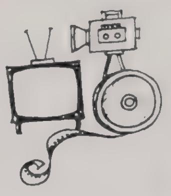
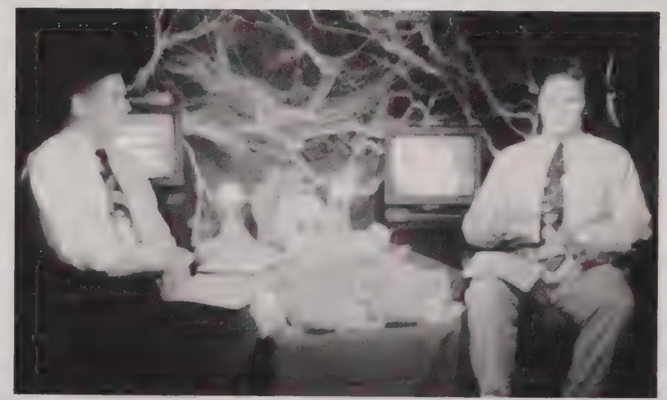
T elevision Studio



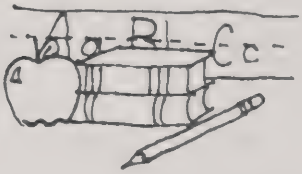
We don't just watch TV . . . we make it!

TV Students telecast Friday Night Football, at which NESN Producer and ETS Alum Meg Rooney interviews Mrs. Duquette and Katie Grenier. Other TV Assignments: School Committee Meetings and Colonial Magazine. TV Department: Ms. Damico, Mr. Lake and Mrs. Duquette

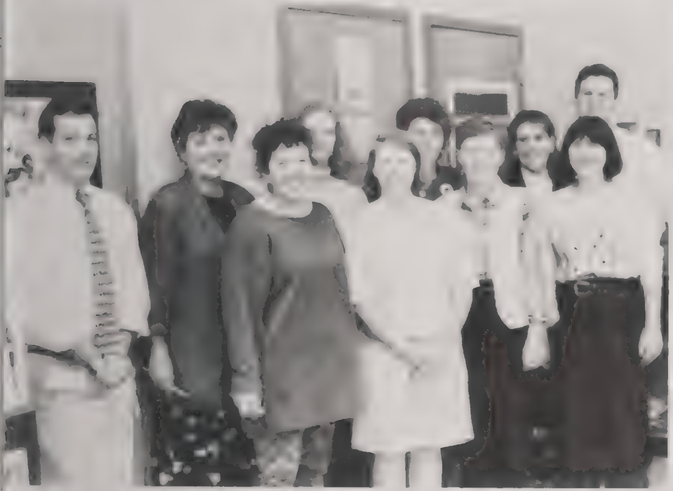
Below: Channel 41 is activated during Net Day!



Special Education



The SPED Department: Ms. Anderson, Mrs. Bedrosian, Ms. Cadigan, Mr. Creamer, Dr. Curran, Mrs. Dewar, Ms. Fraser, Mrs. Gilmore, Mrs. Holley, Ms. Maroni, Mr. McGrath, Mr. Nugent, Mrs. Potash, Ms. Sherman, Mr. Spisto, Mrs. Tiernan, Mrs. Wallach.



Special Education students have a fabulous time bowling!

Media

There are still books, of course, and they are used. But, increasingly, students look to research tools like CD ROM and the InterNet. Mrs. Costello is assisting with InterNet access in the new room constructed for this purpose. Mrs. McDonald helps with research in Media Center, which is also used for group presentations and meetings.

C afeteria

Study . . . Eat . . . Dance . . . Meet!

Cafeteria Staff includes Robin Ginese, Sandra Gonet, Beth Kelly, Sharon Benoit, Joyce Wright, Irene Dussault, Carol Sullivan, Terry Arsenault, Joan White, Linda Calocci, Geneva Carlson, Colleen Chambers, Debra King and Jacqueline Dickman.

Someday we hope to catch the Custodial Staff at their work — maybe setting up for a dance. But in the meantime, at least we can tell you who they are: Mr. Weigold, Mr. Anderson, Ms. Baptista, Mr. McHugh, Mr. Morrissey and Mr. Putelis.

The very name conjures up food, and so it is THE place to eat at SHS. But this space has many other uses as the pictures on this page show: NAHS/NHS Hallowe'en Party; Spirit Week "results"; Open House Club Displays; Rotary Pancake Breakfast; Giant studies (perhaps for the last year). And, of course, all dances except Proms are held here. For instance: Homecoming and the Sophomore Semi!

. . . and A Cappella Choir . . .

Each spring Mr. Feldheimer holds auditions for participation in the A Cappella Choir. About twenty-five of the school's elite vocalists are chosen to join, and they perform at the school year's various concerts by themselves as well as with the Concert Choir. Their selections at the Holiday Concert included Carol of the Bells, Have a Holly Jolly Christmas, and Rock of Ages.

It's a musical tradition at the Holiday Concert for the choir, accompanied by the orchestra or band, to perform Handel's Hallelujah Chorus. Each year SHS' most musically talented Alumni join in the singing, as can be seen in the picture to the upper right.

Ms. Yurkinas' and Mrs. Bartelson's classes "carve" Geometry shapes into their pumpkins! WC classes take part in a mini-Agricultural Revolution of their own: beautifying the school grounds. Just wait till Spring, when we see and enjoy the results! "Out-take" is of Mr. Cool: Michael Patrick Kuhn Yearbook is sad not to be able to include: C. Cadoret, S. Eaton, S. Garabedian, K. Kirby, R. This year the Rotary's Pancake Breakfast featured the very talented dancers from Chickee's Dance World. Each act sported different costumes and routines. Among the dancers were the following from SHS: Grade 8: Erika Shankle; Grade 9: Erin Shanahan, Rebecca Shankle and Adrian Falcon. "Out-take" on previous page is Paul Herard. We guess he preferred the shot of his "in" hair-style!

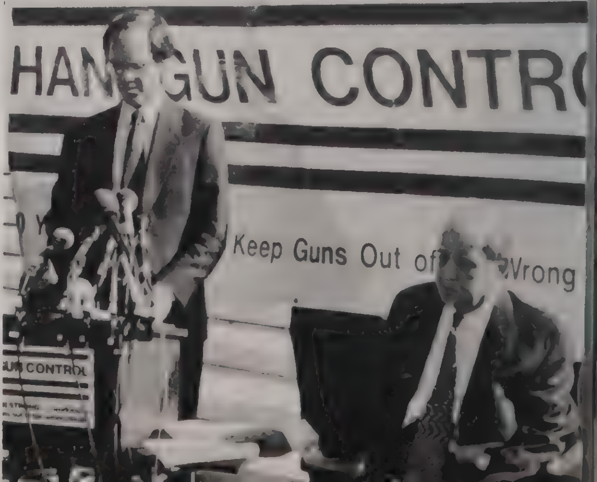
THE QUILT IN THE CAPITAL

OCTOBER 11-13, 1996

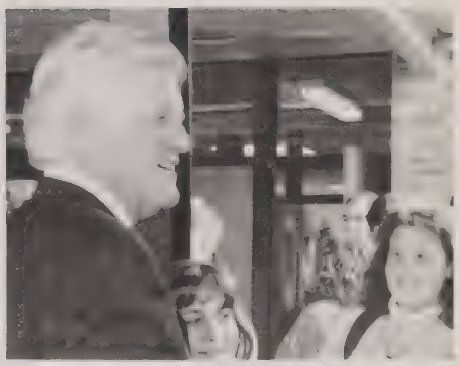
Dream Team

The SHS 1996 Dream Team is an outgrowth of last year's Congressional Resolution Team (p. 136 of 1996 Colonial). They spent October 9th-October 13th on their "Quilt in the Capital Display" Field Experience — an extraordinary event for all participants. The Team toured the White House and The Capitol, happened on a press conference with Mr. Brady as gun-control was discussed, met with Pat Fleming, Director of National AIDS Policy for the White House, and experienced the Holocaust Museum the day before their work in displaying the Quilts, reading the names of those who died of AIDS, volunteering as Quilt Guides and the taking part in the Candlelight March. They also managed to visit the Smithsonian, Arlington, and the Korean & Vietnam Memorieals. The Dream Team includes Erica Gestone, Kate Govoni, Megan Buonomo, Marisa Izzard, Jessica Reagey, Vicki Rossi, Virginia Gagliardo, Kerri Stafford, Laura Steinberg, Jackie Ferreer, Amanda McLernan, Kristen Hadley, Jessica Lynch, Emily Barko, Dave Roberts, Evan Thomas, Andy Lucey, Casie Richardson, Julie Berube, Christine Smith, Natalie Sitko, Gail Rabuya, Val Johnson, Melissa Castellanos, Leigh DiPilato, Brian Mawdsley, Mark Govoni, Jake Moore, Danielle Pessolano, Nicole Stoico, Erin George, Jessica Ferguson. Chaperones were Mr. Marchand, Advisor, Mr. Clough, Mrs. Stoico and Mrs. George. Dream Team Members not on the Trip are: Steve Fotiades, Tom Josie, Jason Sanavage, Dun Huynh, Liz Farina, Greg Filippetti, Brendan Foley, Bill DeMalia and Jason Rudman.

Thanks to the Dream Team for their support.



Political Action Group



The PAG is very busy every year, but especially so in a national election year: this year PAG Election '96 organized a visit by Senator Ted Kennedy, who was touring the County with Mr. Jim McGovern, Democratic Challenger for the 3rd Congressional District Seat. They were accompanied on their October 17th visit by Massachusetts Congressman Moakley. They met first with the PAG; then an assembly of Juniors & Seniors. Questions ranged from Negative Campaigning, through Bosnia, Education Reform, Health, Crime and Environmental Issues.

Monday and Tuesday following, SHS PAG hosted Congressmen Peter Blute (R) and a return visit by Mr. Jim McGovern (D). Mr. Blute met with a class of Freshmen and answered questions about his accomplishments during his two Congressional terms (he told of the "Blute" Amendment), his positions on Ed Reform, Health Insurance (he spoke about the "portability" of insurance), the Death Penalty, Taxes and the Budget and Drug/Substance Abuse. Mr. Blute followed with a Freshmen/Sophomore Assembly during which he answered questions from the audience. Mr. McGovern responded to very similiar questions during Tuesday's Assembly with the same classes. He said he felt "passionate" about the Environment and the need to clean up toxic waste sites. Regarding Educational matters he felt that classrooms should have no more than 20 students for maximum education results and that every classroom should be connected to the Internet. Mr. McGovern took particular issue with Mr. Blute's stance

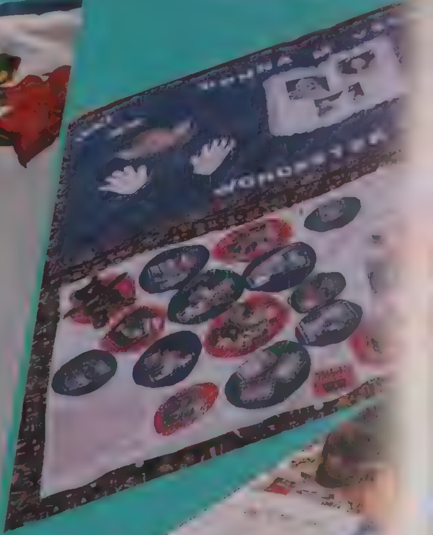
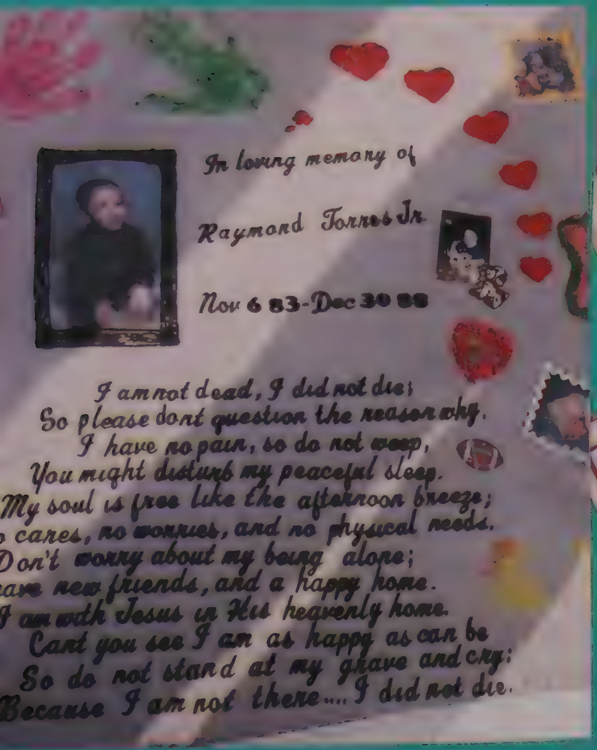
not stand by my grave and weep
I am not there. I do not sleep
I am a thousand winds that blow
I am a diamond glint on snow
I am the sunlight on ripened grain
I am the gentle autumn rain
When you awake in the morning hush
I am the swift uplifting rush
Of quiet birds in circling flight
I am the soft starshine at night
Do not stand by my grave and cry
I am not there... I did not die.





In loving memory of
Raymond Torres Jr.
Nov 6 83-Dec 30 88

I am not dead, I did not die;
So please dont question the reason why.
I have no pain, so do not weep,
You might disturb my peaceful sleep.
My soul is free like the afternoon breeze;
o cares, no worries, and no physical needs.
Don't worry about my being alone;
ave new friends, and a happy home.
am with Jesus in His heavenly home.
Cant you see I am as happy as can be
So do not stand at my grave and cry;
Because I am not there... I did not die.

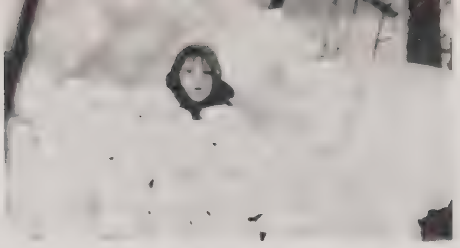
Changes...



"There is a certain relief in change, even though it be from bad to worse; as I have found in traveling in a stage-coach, that it is often comforting to shift one's position and be bruised in new place."

Stick With It

The Field Hockey team started off the season strong, winning their first game. Despite all of their hard work, they were stuck in a slump for most of the season. But, the team came back strong, winning their last two games. Senior Jaime Leifer lead in scoring with 5 points. Captain Lisa DiPilato played a strong offense and scored on the team's only penalty shot for the whole season. Shannon Hawley and Gina Manzoli played a mean defense along with Captain Allyson Miller.

Giving It All

The Shrewsbury Cheerleaders are all about hard work and dedication. They started off their season with a bang when two instructors from Elite Cheer Organization came to the high school for a three day clinic. The girls worked hard from 9 to 5 learning cheers, dances and stunts. The two dances that they learned, accompanied by the songs ''Stayin' Alive'' and ''Throw it on the Dance Floor'', were performed at field day in front of their peers.

On Friday, October 19 before the home game against Leominster the girls sponsored the 1st Annual Tailgate Barbecue. Hamburgers, hot dogs and popcorn were on sale for all and everyone had a great time dancing and frisbee playing.

Almost the whole team will be back again next year with the loss of only one senior, Melissa Abasciano. They will be older and more experienced. No matter what, though, the cheerleaders will always be giving it all!!!

WELCOME TO THE JUNGLE

This year, the Shrewsbury High School football team had the best season in years, winning four of their eleven games. One of their best games was against St. Bernard's. The team was losing in the first half eighteen — nothing. The second half, however, the team scored every chance they got. With 1:24 left in the game, the team scored. They tried for the extra two points, and got them to tie up the game. In overtime, Shrewsbury was the first to score, making a thirty-two point second-half come back, the final score being 33-32. They have been working harder than ever this year under the supervision of what they call the best captains ever: Tom Simone, Paul Bondanza, and Chris Peris. Key players for this year were Billy DeMalia, who scored 20 touchdowns and ran for over 1500 yards; Tim Finacom, defensive player of the year, and Mike Mastro, offensive player of the year. This year's season has left high hopes for next year.

Strong contributions were made by seniors Paul DePalo, Kurt Falzoi, juniors Kevin Anderson, Callum Gow, Adam Hurter, sophomore Matt Davis. The boys finished fourteenth in the State Meet this year, after placing third out of the Central Mass. Region. During the season the boys had tough losses to North Middlesex and Nashoba, but returned at the Districts meet to beat them both by over fifty points. Running to Glory

The Girls' Cross Country Team is known for their winning tradition and amazing dedication. This year was no exception. Lead by Senior Captains Sara Saba and Kate Terrill, the team could be found every day after school in the crisp Fall weather running five to six miles through the streets of Shrewsbury.

They compiled an awesome record, losing only one dual meet to rival Wachusett. They placed second in the League Meet, third at the District Meet and tenth in the States.

The team's top runners include: Seniors Sara Saba and Kate Terrill; Junior Maggie Rivas; and Sophomores Lori D'Elia and Beth Koziara.

The team will be lead next year by Captain-elect Maggie Rivas. Cross country runners are incredible athletes, who need endurance and strength to stay competitive in their sport. It is obvious that our team has both and will always be "running to glory."

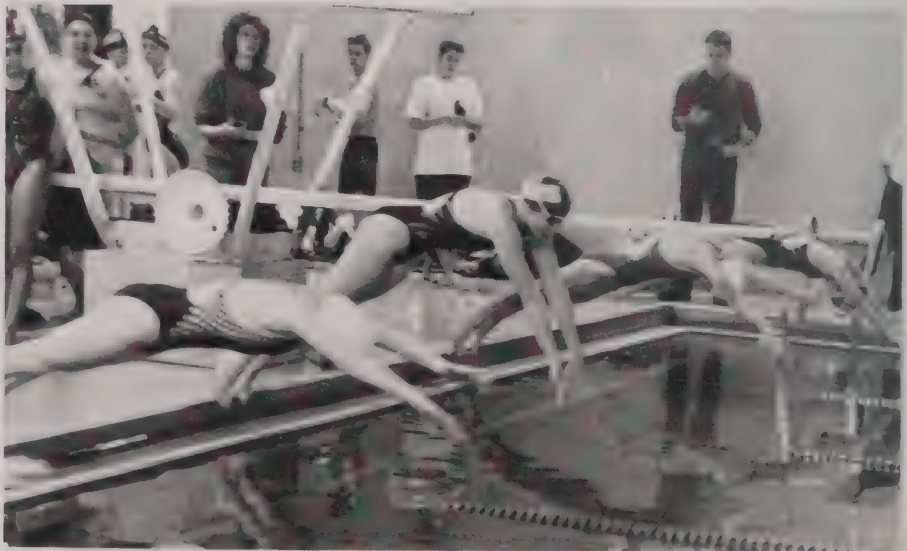
Swimming

For the SHS Swim Team, the third year has not been easy; although it has been fun, positive, and rewarding. Led by Captains Sara Saba, Jeff McVoy, and second in the nation Erin Howarth, the Swim Team has accumulated a fabulous record of 7-1. They kept their optimistic and rowdy attitude even with a new coach, Jessica Lee. Some of their strongest athletes include Freshmen Kristen Baldinger and Lisa DelSignore and Juniors Megan Buonomo, Alan Emerson, and Jeff McVoy. Seniors Karen Gibson, Erin Howarth, and Sara Saba are much appreciated and will be greatly missed. The win against Milford was a memorable meet because of the fact that it is an all boys' team. Their first home meet against Westboro and Fitchburg were enjoyable victories as well. This triumphant season has been one not soon forgotten. Latest news from the State Meet — Erin Howarth sets two records in the 100 & 200 free style events.



1997 SHS Swim Team

In the fall, she will be attending the University of Texas with a full five-year scholarship. Her plans for the future are not definite but include swimming through college and seeing what develops afterwards.

Girls' Track: Do You Have What It Takes?

Most important were spirit, pride, and respect. Captains Jenna Carter and Karin Rood gave out blue-and-gold mementos every Saturday. This kept things on the upswing. *Distance running* power continued with DiPilato, Terrill, Rivas, Wadsworth, Barrell and Koz. *Putting the shot* an average of 30' a meet were Rood, Reagey, Sundt, and LaCoursiere. Carter, Angelo, Tomecka, Polis and Lloyd sped to good times in the *sprints,* while O'Connor and newcomer King tackled the *600*. The tradition of *hurdlers* at SHS was continued by underclassmen Gustafson, Hagerman and Beauregard. Romanowicz once again impressed with her *high-jumping* ability. The six Seniors will be missed, but the future looks bright. Stepping it up in the ranks were Barko, Serra, DiPilato, Gustafson, Pisano and Sabourin. We'll all be back in the spring to go for #20.

Boys' Track: Surprise!

Quality vs. Quantity is the watch word of the 1997 Track Team, and the record speaks for itself: 5 and 2. The Team is small but shows both breadth and depth. In particular, there is a large contingent of impressive juniors. Also, there is a good possibility of winning the League Meet!

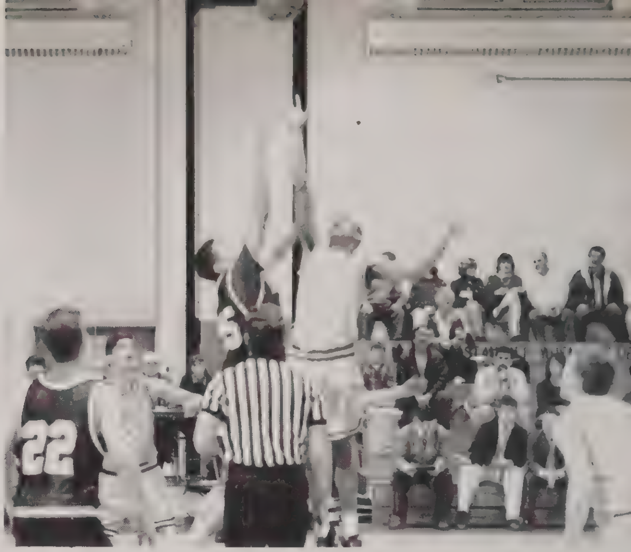
"Hoop Dreams"



This year's basketball team is made up of eight seniors, three juniors, and a whole new coaching staff. The 96-97 season is Varsity head coach Kevin LaDuke's first at Shrewsbury High. With the help and leadership of Captain Mike Cardoza, the team adjusted well to the new coaching style. Every Tuesday and Friday night from December to February, you can find the basketball team on the court playing in two, double teaming, three-point shooting, slam dunking, baseline driving, free-throw making, sixteen minute halves fulfilling their "hoop dreams." The boys had excellent games against Milford, Algonquin, Leominster, and Westboro but fell two or three points short. Some highlight wins of the season include, a 74-70 win over powerhouse Fitchburg High on the road, and other great wins over Grafton and Wachusett.

The Shrewsbury Cheerleaders have been working hard since August on their amazing stunts, pyramids, cheers and dances; however, this work is not just for the half times and timeouts of football and basketball games. The cheerleaders also compete in tournaments during the spring. To prepare for the tournaments, the girls practice constantly, including Saturday and sometimes Sunday mornings. Besides practicing for tournaments and following the boys' basketball team, the girls lift in the weight room twice a week and take tumbling classes on Wednesday nights. Their tournament routines are known for their creativity and difficulty and often win trophies.

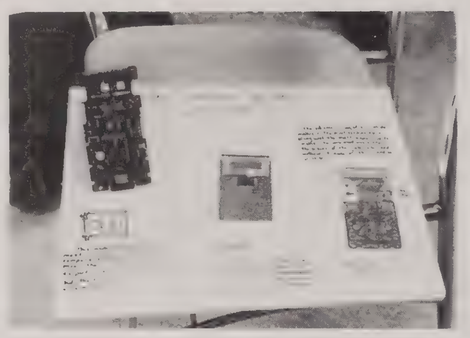
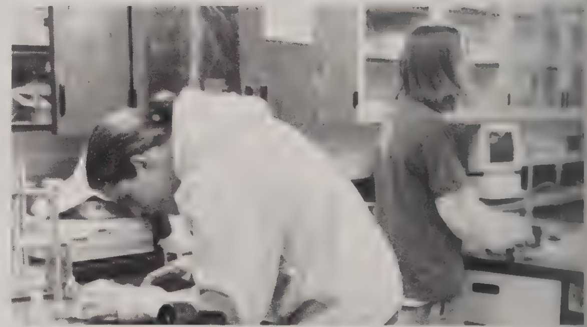
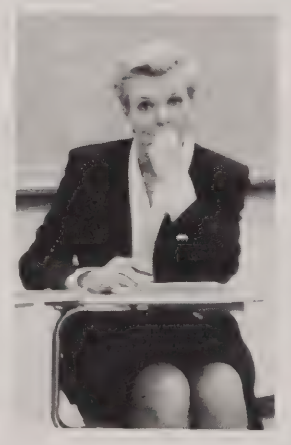
Mrs. Bagley used a Shrewsbury Education Grant to buy "old" electronic appliances, so that students could dismantle and study the parts and then compare to the modern version.





A giant toaster by Melissa Ahlstrand, Talin Asadoorian, Anita Bhandarkar and Adiana Tarantino. In the 1996 Colonial, page 58: Jessica and Liz are dwarfed by multi-feet of snow. '97: NO snow!

New Assistant Principal Mrs. Steele ponders an Education Reform "Framework" and her "Harley" is interested in what is happening is Ms. Abraham's class.



Checking out newly completed shelving in a preparation room and the bright tiled stairwell, Dr. Bent commented: " . . . the school is more than 80 percent complete . . . weather-tight, heat functioning, and several of the 30 classrooms nearing completion. The building exceeds our expectations for quality workmanship and the entire community will be proud of the facility as a symbol of Shrewsbury's commitment to its young people and to public education. The classroom spaces, support areas, the technology, the superb gymnasium, cafeteria and media center will make the school a wonderful place for children. We plan to open the school in August of 1997 with approximately 650 students in grades 1-5."

Each year, Mr. Danielson works on a performance involving his Secret Santa "giftee". This year's lucky person was Mrs. Bilodeau. The skit necessitated that she had to "become a tree", which then had to be decorated, of course! Town Manager Mr. Carney and Selectwoman Mrs. Lindberg visit SHS Classes arranged by Mrs. Goldman as part of a year-long seminar.

THIS and That

Prior year's recipients ganged up on Mr. Danielson this year, and he found himself on the "other end" of the gift! Mr. Brobeck with Mr. Clough and Mr. Marchand at Field Day just before he let us know that he would be leaving at the end of 1996 for "out West"!

Jen Berridge's Dad visits Mr. Marchand's Health Classes and shares his expertise of heart monitoring equipment.

It is said that "studies" — as we know them — will be no more! Mrs. Siddell and Mr. Goewey monitor a Period 7 Cafeteria Study. Meet Mrs. Korab, NEW Director of channel 41, SHS TV! Ms. Damico helps with introductions.

The Knights of Columbus surprised Mrs. O'Leary with their 1996 Youth Award. Mr. Largess convinced her that Yearbook pictures had to be taken, so she would be there!

THIS and That Travelogue

World traveller Ms. Baker, with daughter, Julie SHS '89, visit the incredible temples and palaces in Bangkok, Thailand. Julie teaches school in Tokyo. Ms. Murray visited Eastern Europe. In Budapest, she stands with the Danube and the famous Hungarian Parliament in the background. She also toured Germany, Poland and the Czech Republic. What she notes was the indomitable spirit of these former Communist subjects as they repair the past ravages and attempt to catch up with more advanced countries. Sandra Fraga '97 just returned from visiting her father in Singapore, where dining can be quite the experience: Sandra samples several elaborate seafood entrees, most featuring crab!

Raj Patel '99 visited with family in India during Summer '96. He submitted the scenes below: man with cart, elephant, and intricately carved temple.

Mr. Rose shares an "at sea" experience: " . . . we hail any and all vessels in view day or night. What begins as a pinpoint of light on the night horizon in twenty minutes becomes the 1.100 foot tanker 'Emerald Sea' doing 20 knots and pushing out a 20 foot bow wave . . . Mark Twain describes the captain of a very small coastal trading scow with whom I identify. He would hail any and all vessels he passed in the night with the questions, 'Who are you?' 'Where are you from?' 'What's your cargo?' and 'Where are you bound?' A booming baritone response was 'This is the clipper ship 'Sinbad', 65 days out of Hong Kong. Carrying tea and silk and bound for India Wharf, Boston. Who are you? Where are you from? What are you carrying? Where are you bound?' Twain's captain's somewhat feeble response was 'I'm the trading scow, 'Lucy B'. Two days out of Portland. Not carrying much and not going anywhere in particular' So, when I hail one of these giants, I feel it's a little like telling Mike Tyson that his Lamborghini is parked in my spot." Mr. Rose made it just about half way 'round-the-world before St. Kilda limped into what turned out to be the Roses' last port of call. They are now landlubbers and will complete their journey by plane and land transport: " . . . I will not miss the long passages and staring at an empty horizon or wondering if that cloud mass looming to the south means two or three more days of miserably rough weather. I will, however, miss the landfalls, especially Australia at first light and knowing at that moment that we had crossed the largest ocean in the world at its widest point . . . " Mr. Rose shares scenes of children from Fiji; a Tonga banana plantation; a Rara Tonga outdoor market. Ahead: Bali, Thailand, Europe and Africa. "Stay tuned"!

Katje,

By your side when we were small,
By your side now we're both tall.
I was there when you were sad.
I never failed to make you mad.
Hiding beneath the Christmas tree,
If we could just stay up late enough you know who we'd see!
But every year they'd catch us, we couldn't figure how they knew.
Still we had a lot of fun,
and sometimes Jess played too.
'Two peas in a pod' you and I side by side
The world is yours now Katie, there's no horse you can't ride.

I Love You Kakes.

In soccer, when you were knocked down, you learned to get up. As a team player, you learned to shake hands even after losing. As a student and an athlete, you worked hard to achieve your goals. As a result of these lessons, you have met with success in school and in sports. Continue to persevere and be a man of good character, and you will be a winner in the game of life!

Two roads diverge in a yellow wood,
And sorry I could not travel both,
And be one traveler, long I stood,
And looked down one as far as I could
To where it bent in the undergrowth;
Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence;
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.
